

# Visa Credit Card Authorized User Form

Things you should know about adding an authorized user to your account.

- 1. The Primary Cardholder, (you) will be liable for all account balances.
- 2. Your Authorized user will not have financial responsibility for the account.
- 3. For the Authorized User, this account will be reported to the Credit Report agencies as an Authorized User's account. This could potentially impact the authorized User's credit Score.
- 4. All correspondence including credit cards, statements and notifications will be sent to the address listed on the Primary Accountholder.

Complete the Form below and submit to Priority One
